ALTERNATE TRANSPORTATION REQUEST FORM.

Beavercreek High School Transportation Policy: All transportation to and from away contests/events is the responsibility of and will be provided by the school district. All student-athletes are **required** to travel to and from away events in transportation provided by the school district. Students should not be transporting themselves to or from away events. If a special situation occurs, the student must request approval 24 hours prior to the event. Forms are available in the BHS/Ferguson Hall/Athletic Offices and on the BHS website and must be signed by the student, his or her parents or guardians, and a principal/athletic director prior to being given to their coach. In these cases, the student will only be released to their own parent/guardian.

Request for alternate transportation:

As parents/guardians of our son/daughter, we understand the school policy regarding transportation to and from athletic contests/events. **Unusual circumstances** have arisen, as described below, that require our son/daughter to travel to or from an event by means other than school-provided transportation. We realize this alternate mode of transportation must be with the student's **parent/guardian ONLY**. We, therefore, give our complete approval and assume responsibility for the safety and well-being of our son/daughter as they travel to or from the event with us. We understand that this request must be an unusual circumstance and **approval must be given** (may be denied) by a principal/athletic director 24 hours prior to the coach releasing the athlete.

Reason for request: Please be specific in describing the transportation of your son/daughter:
