

Beavercreek High School Alumni Association

Membership Form

The Beavercreek High School Alumni Association is a member-based organization created to help BHS graduates and attendees work together for the common good of graduates, attendees and the High School. The Association is incorporated as a Section 501(c)(3) organization per the IRS. The membership is comprised of BHS graduates and former BHS attendees. Since our founding in 1997, we have inducted 79 graduates into the BHS Distinguished Alumni Hall of Fame and provided four editions of the BHS Directory. We also have, as longer term goals, the provision of scholarships for graduating seniors and grants for teachers and staff for suitable classroom projects not covered by building budgets.

By joining the BHS Alumni Association you will be directly contributing to the future and supporting your alma mater. Monetary gifts are encouraged and are tax-deductible. The Association hosts bimonthly meetings that all graduates and former BHS attendees are welcome to attend, but even if you are unable to attend, your annual membership dues and other donations will assist in achieving the Association's programs and goals.

For more information please contact BHS Alumni Association President Ryan Rushing at ryanarushing@gmail.com or (616) 826-2566. Thank you for your consideration and action.
