### **Q: What is NutriSlice?**

A: NutriSlice is Beavercreek's new online school menus. These menus allow an individual to see a description, nutritional values, approximate carbohydrate counts, allergens and a picture of an item.

### **Q: What if my child is diabetic?**

A: Click on the "View Carb Count" button in the right hand column. From there, you are able to see the serving size and grams of approximate carbohydrates in each food item for a specific week.

### **Q: What if my child has allergies?**

A: Click on the "Show Special Diet Info" button in the right hand column. You then are able to select which allergens you need filtered out. A line will then be drawn across any food item that contains that specific allergen.

### **Q: Can I add money to my child's account?**

A: Click on the "EZPay" button in the right hand column. From there, you can sign into your account and add money to your child's account.

### **Q: How do I sign up for free or reduce meals?**

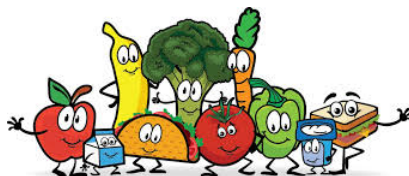

A: You are able to download the Beavercreek Free and Reduced Price Meal Application when you click on the button in the right hand column.

### **Q: How do I print the school lunch or breakfast menu?**

A: There is a little printer image in the top right corner. Click on the printer and another screen will pop up and you will be able to select which months menu you would like to print.

### **Q: What else can I find on NutriSlice?**

A: In the right hand column next to the menu, you are able to click on the buttons and download different documents. These documents include: a National School Lunch Program information sheet and nutrition handouts.
