

August 2016

Hello Beaver Creek Families,

Beginning this school year, The Student Nutrition Department is happy to introduce and present our school menus on a new system service called, *NutriSlice*.

NutriSlice is a website system that provides useful nutrition information about our menu items.

NutriSlice Features:

- Easy access; reach our NutriSlice menus at www.beavercreek.nutrislice.com
- Once on the website, simply select your school and menu name to view your school's menu
- Simply roll over a food name on the menu to reveal...
 - Photo of the food
 - Food description
 - Carbohydrate count
 - Allergen information
- The menu can be translated into six different languages
- Place an App on your Smart phone by searching for "School Lunch By NutriSlice" on Google Play or the App Store

During the middle and elementary open houses, please look for the Student Nutrition Department representative table where a computer will be set up for you and your students to view NutriSlice. Our friendly staff will be available to answer any questions you may have.

We look forward to hosting our menus on the NutriSlice system. If you have any questions, we are here to help, please call the Student Nutrition Office at 458-2446, 7 am to 3:30 pm M-F.

Thank you for allowing us to serve your student delicious and healthy school meals,

Connie Little, SNS
Supervisor of Student Nutrition
Beavercreek City Schools
